Wanda Martin is an Innovative Goal Setting Tactician, Best Selling Author, Motivational Speaker and TV Host who is known for producing stellar and effective goal setting tactics that produce High-Impact and Impeccable results to all who will apply them. As a master in teaching the Art of Goal Setting and Achievement, a Certified trainer of the Success Principles by Jack Canfield, (Co - Creator of Chicken Soup of the Soul) a program graduate from Cornell University Women's Entrepreneurship program and a Goal Setting Advisor on the Board of Directors of Coaches against Childhood Obesity, Wanda's teaching and speaking on goal setting derived from the last conversation with her mother before her demised, who sadly admitted that she felt like she was too old to have goals and therefore it was too later for her to be great. In 2018, Wanda buried her mother with her goals left unaccomplished on the inside of her.

Having unfulfilled goals was unacceptable to Wanda and therefore she made it her mission in life to enrich, empower and inform individuals on how to live with their goals and not die with them .

As the founder of Go For The Goals, LLC, Wanda's in-person and on-line courses, events and results based programs have been proven to steer and equip influencers, entrepreneurs, organizations, students and athletes with goal setting tools, tips and tactics that will lead them towards a brighter future and greater career satisfaction.

Wanda's success in goal achievement led to the publications of three (3) books in which her latest, "Have Goals Not Guns" (Youth Edition-Action Guide) have been endorsed by Jack Canfield, Co-Creator of Chicken Soup of the Soul,

Joyce Abbott, The Real Miss Abbott from ABC's TV Hit Show "Abbott Elementary" and James Malinchak, as seen on ABC's Hit TV Show, "Secret Millionaire".

Featured on RVNTV, ASPIRE TODAY and Preach The Word Network, Wanda's client roster includes The Community College of Philadelphia, The Philadelphia School District leadership and administration, High End Attorneys, Fels High School, Locke Middle School, The YMCA and many others.

When it comes to showing individuals superior goal setting tactics to reach their destination in life and in the workplace, no one does it better than the Goal Setting Tactician herself, Wanda Martin.
